Subject: Request for funds for potential purchase of pesticide samples
Bankcard Form - Black Flag Sample Purchase 9-8-2016.docx

Hi Kelly,

We will be conducting several inspections in the next two weeks to continue following-up on HQ's referral regarding a product called, Black Flag Disposable Fly Trap. If we find the product, I will need to purchase several for analysis.

The products run between 5 to 7 dollars each. We'll visit three to four retail stores in the area and purchase 2 traps each site for a maximum of around 8 traps.

I do have a purchase card through the dive unit that Mark Filippini has allowed me to use before for purchasing enforcement samples.

Do we have the money for these samples (about \$56) and do I have your concurrence to purchase them if we find the product?

Thanks!
